

RECORD OF PROCEEDINGS

HARPERSFIELD TOWNSHIP TRUSTEES

REGULAR SESSION

Held on January 17, 2011

Public Hearing

To review the recommendation from the Zoning Commission for the approval of a proposed zoning map amendment.

The change is necessary for South Harpersfield United Methodist Church to build their new church building on the corner of Garford Road and Cork Cold Springs Road; currently that property is zoned RC (recreation-commercial) and a church facility is not a permitted use in an RC district; the recommended change will be R-1-residential.

No public attended the public hearing and the Board had no comments.

Cliff made a motion to approve the recommended amendment as proposed by the Zoning Commission; Jim seconded; the Board voted unanimously in favor.
