

Harpersfield Township Zoning Commission

Harpersfield Town Hall

February 22, 2010

RE: WORK SESSION

The meeting was called to order by Vice-Chair, Tom Swank at 7:08PM.

Present were Aaron Miller, Board member; Pete Roper, Board member; Ed Pristov, Board alternate; Jeff Burkholder, Board member; and Tom Swank, Vice-Chair.

A motion to approve the minutes of the January 25, 2010, meeting was made by Jeff and seconded by Ed. The minutes were approved as read.

There was some discussion about wind towers as there is a person on South River Rd. wishing to construct one.

There was also some discussion on the subject of solar panels; the board decided that these could not be regulated as they had to be placed where they would get the optimal sun light.

Aaron stated that the Planning Commission had requested that map changes be forwarded to them the next day after receiving them in our office. The board said they would look at this later as there were time constraints involved in the process.

There was no further discussion. A motion was made by Pete to adjourn the meeting, Jeff seconded the motion and the meeting was adjourned at 8:23PM.

Respectfully submitted,

Peggy Miller,

Secretary, Zoning Commission
